DETAILED ACTION

1. This action is issued in reposes to applicant after final amendment filed 10/28/05.
2. Claims 1-2 were canceled. Claims 3-4 were amended. No claims were added.
3. Claims 3-4 are allowed.

Allowable Subject Matter

Claims 3-4 are allowed over the prior art of record.

The following is a statement of reasons for the indication of allowable subject matter:

Regarding Independent Claim 4, the prior art of record fails to teach or suggest the claimed subject matter of a document data have an output image in which a plurality of lines of particulars data are described between a predetermined page header and page footer, a necessary multi-layer hierarchical index file is constructed which contains a lowest-order index file formed by said page header, said page footer and storing location data of said particulars data, a higher-order index file formed by index keys, index items and said storing location data of said lowest-order index file by blocking said lowest-order index file, and a further higher-order index file formed by blocking said upper index file, and in response to a data request from said client unit, lower-order index files are sequentially specified from said higher-order index file by means of transactions between said client unit and said document managing unit, whereby data requested by a user are specified and provided, as claimed in conjunction with remaining claims provisions.

The dependent claim 3, being further limiting to the independent claims, definite and enabled by the Specification also allowed.

Comments

The date on which the petition under 37 CFR 1.136(a) and the appropriate extension fee have been filed is the date for purposes of determining the period of extension and the corresponding amount of the fee. In no case may an applicant reply outside the SIX (6) MONTH statutory period or obtain an extension for more than FIVE (5) MONTHS beyond the date for reply set forth in an Office action. A fully responsive reply must be timely filed to avoid abandonment of this application.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

As allowable subject matter has been indicated, Applicant's response must either comply with all formal requirements or specifically traverse each requirement not complied with. See 37 CFR 1.111(b) and MPEP section 707.07(a).
